SAMPLING TIPS

If your customer is placing a makeup or skin care order, present a skin care sample as a thank-you gift.

Don't forget to follow up! The best time is after the first weekend you gave it to your customer. Ask how she liked the texture and what she thought of the product.

LOVE AT FIRST TRY

Samples are a win-win...fun freebies for your customers, and potential full-size sales for you!

FRAGRANCE VIAL-ON-CARD SAMPLES

Each vial allows for several fragrance applications for a premium sampling experience. Follow up to see what your customers thought of the scent.

...AND TURN THEM INTO A REALITY WITH A VISION BOARD

This is the perfect time to set your intentions and goals for the new year.

A vision board brings this to life by acting as a visual reminder of what you want to achieve.

WHAT IS A VISION BOARD?

It's a fun and effective way to visualize your goals for the future. You can include photos, clippings, mantras and phrases on your vision board...the sky's the limit!

WHY CREATE A VISION BOARD?

A vision board helps shape your thoughts and actions. It's a way to gain clarity and direction around where you want to go, who you want to be and what you want to achieve.

HOW TO CREATE YOUR VISION BOARD

Step 1

Gather your supplies:

- ☐ Poster board (any size)
- ☐ Variety of magazines, print materials & graphics
- ☐ Photos
- ☐ Scissors
- ☐ Glue sticks

Your vision board can also be created digitally using your photos and images found on the Internet.

Step 2

Identify and make a list of 4–6 key dreams/goals (personal and business related).

Examples:
financial independence, work/family life balance, sales or leadership achievements.

Step 3

Find images that represent each goal, and glue them to your poster board. You can also include motivational quotes, words or sayings that are inspiring to you.

You can also laminate or frame your vision board to extend its durability.

Step 4

Display your vision board!

Place it where you can see it during your day, and make it your computer wallpaper and/or phone screen. Refer back to it often, especially on the days you need additional motivation. Find an “Accountability Partner” to help keep you on track towards reaching your goals.
