HOW TO USE

Apply to areas prone to fine lines or wrinkles and pat onto skin for absorption. Apply after cleanser and toner (if using) and before moisturizer.

How is this product different from the Isa Knox LXNEW Ultimate Serum or Cream?

Both the serum and cream help reduce the appearance of fine lines, wrinkles and dullness, but the multi-corrector has a concentrated and targeted formula that also contains the ingredient bakuchiol. Bakuchiol is a natural alternative to retinol that has similar payoff without the potential irritation.
